BBA / BMS at St. Xavier's

Complete guide & Class 9 to 12 study plan | Prepared October 2026

1. What is BMS / BBA at St. Xavier's?

At **St. Xavier's College, Mumbai**, the BBA-style course is not called "BBA". It is the **BMS (Bachelor of Management Studies)**, now listed as **B.Com in Management Studies (Earlier B.M.S.)**. It is a 3-4 year undergraduate business degree covering marketing, finance, HR, economics, entrepreneurship and management, and is one of the most competitive courses in Mumbai.

Other Xavier's institutions run a course actually called BBA, e.g. **St. Xavier's College, Kolkata** and **Xavier University, Bhubaneswar**. Each has its own admission process.

How admission works (Mumbai)

Step	What happens
1. Class 12	Pass Class 12 in any stream (Science, Commerce or Arts) from any recognised board. Older sources mention about 60% (lower for reserved/minority categories) - confirm in the official notice.
2. Apply online	Usually February-April of your Class 12 year. For 2026 the last date was 17 April and the fee was Rs 3,000.
3. Entrance test (XET)	Usually early May, in Mumbai and other cities. Sections: English, Logical Reasoning, Maths & Data Interpretation, General Knowledge & Current Affairs.
4. Selection	Mostly the entrance test score plus Class 12 marks; some years also an interview. One source gives 60% test / 30% Class 12 / 10% interview - weightage changes year to year.

You will apply around 2029-30, so details may change. Always check the official website **xaviers.edu** for the latest admission notice.

2. Study Plan: Class 9 to Class 12

The idea: build strong foundations slowly in Class 9-10 (without hurting board marks), then switch to real entrance practice in Class 11-12.

Class 9 - Build habits (about 30 min/day extra)

Area	What to do
English	Read a newspaper (The Hindu / Indian Express) 15 min daily. Read 1 novel or non-fiction book a month. Keep a notebook of 5 new words a day.
Maths	Master school maths fully. Practise mental maths: tables up to 20, squares up to 30, cubes up to 15, fractions-to-percent conversions.
Reasoning	Puzzles for fun: sudoku, chess, riddles, simple series and odd-one-out questions.
GK	Watch/read news 10 min daily. Learn basics: who runs what in India, big Indian companies and their founders.
Extras	Join debate, quiz, MUN or a school fest committee. Build confidence in public speaking.

Class 10 - Boards first, keep the habits

Area	What to do
Priority	Score well in Class 10 boards - many colleges look at overall academic record.
English	Continue reading. Start doing 1 reading-comprehension passage a week. Learn grammar rules properly.
Maths	Start arithmetic topics: percentages, ratio & proportion, averages, profit & loss, simple & compound interest.
Reasoning	Learn basic types: coding-decoding, blood relations, directions, number/letter series.
After boards	Use the summer holiday to choose your Class 11 stream (Commerce with Maths is ideal, but any stream works). Take Maths in Class 11-12 - IPMAT and many tests need it.

Class 11 - Start entrance preparation (1-1.5 hours/day)

Months	Focus
Jun - Sep	Quant: number system, percentages, ratios, averages, time-speed-distance, time & work, mixtures. Verbal: vocabulary, synonyms/antonyms, sentence correction, reading comprehension.
Oct - Dec	Logical reasoning: arrangements, syllogisms, puzzles, data sufficiency. Data interpretation: tables, bar/pie/line charts. Start a monthly current-affairs notebook.
Jan - Mar	Algebra, geometry basics, permutations & probability (for IPMAT). Focus on Class 11 school exams.
Apr - May	Solve old papers of XET, IPMAT, NPAT, SET under time limits. Find your weak sections.

Class 12 - Practice, mocks and applications

Months	Focus
Jun - Sep	Finish any remaining topics. Take 1 full mock test every week and analyse every mistake.
Oct - Dec	Board syllabus + 2 mocks a week. Revise GK of the last 12 months. Make a list of exams and note their application deadlines.
Jan - Feb	Board exam preparation is the priority. Short daily mock sections (30 min) to stay in touch. Submit applications (XET, NPAT, SET, IPMAT, CUET etc.).

Months	Focus
Mar - Jun	After boards: intensive mocks (1 a day), revise formulas and current affairs. Prepare for interviews / group discussions: talk about yourself, current events, why management.

Useful resources

- **Quant:** R.S. Aggarwal - *Quantitative Aptitude*; Arun Sharma books (for IPMAT level).
- **Reasoning:** R.S. Aggarwal - *A Modern Approach to Verbal & Non-Verbal Reasoning*.
- **English:** Norman Lewis - *Word Power Made Easy*; Wren & Martin for grammar.

Where can you go? Good options for BBA / BMS

City	Colleges
Mumbai	St. Xavier's, NMIMS (Anil Surendra Modi School of Commerce), Jai Hind, H.R. College, Narsee Monjee College, Mithibai, K.C. College
Pune	Symbiosis Centre for Management Studies (SCMS), Christ University Pune, Flame University (BBA)
Delhi	Shaheed Sukhdev College of Business Studies (DU, BMS), other DU colleges offering BBA (FIA), IP University colleges
Bengaluru	Christ University, St. Joseph's, Mount Carmel, NMIMS Bengaluru
